## Waiver Of Liability

Upon entering the premises of Burlington Farm, owned and operated by Robert Northfield, I recognize that all equestrian related activities are extremely dangerous, that accidents involving horses are frequent, that the condition of the land is often hazardous, and the ring footing is seldom perfect. Injuries incurred in horseback riding can be severe, requiring more hospital days and resulting in more lasting residual effects than injuries from other activities. In view of this knowledge, I undertake full responsibility for any and all harm or injury that may occur to myself, my horse(s) and any of my associates.

With full knowledge, I hereby, for myself, my heirs, executors and administrators WAIVE and RELEASE all rights and claims for damages for injuries or otherwise, I may have against Burlington Farm, Robert Northfield, their agents, employees, representatives, heirs, successors and/or assigns in any and all connection with entering on the premises for riding, instruction in riding, and/or related activities, including boarding at all times on or after the date hereof.
